

November 17, 2017

Dear Fellow Fairbanks Community Member:

We cordially invite you to become a service provider, sponsor and/or volunteer for our annual **Project Homeless Connect**, a one-day, one-stop event to provide information, services, and hospitality. This convenient one-stop model is a way you can help bring service providers, government agencies, and the general community together to address a problem that affects all of us. You can help Fairbanks move from simply managing homelessness towards ending homelessness.

Project Homeless Connect is a collaborative effort between service providers, government agencies, the private sector and the general community. This model has been used by over a hundred communities. All report success connecting individuals experiencing homelessness to services faster, gaining housing, and improving their overall quality of life. In addition, you can reduce the stigma linked to homelessness. Together we can bring about long lasting, substantive change in Fairbanks.

Wednesday, January 25, 2017 from 10am – 3pm
JP Jones Community Development Center
2400 Rickert Street (on the corner of 24th Ave. one block south of Cushman Street).

Join us in the effort to help end homelessness. Please fill return the enclosed Sponsorship Form by January 11th in order to have your logo on our marketing material. If you are unable to donate at this time, please consider volunteering your services. Return your completed Service Provider Information Form to the address below.

Thank you for your time and generosity. We look forward to working alongside you in the effort to help end homelessness. Please contact our Chairperson Kelvin Lee at 907-310-1377 with any questions or concerns.

Sincerely,

Kelvin Lee, Chairperson
Project Homeless Connect &
Fairbanks Housing & Homeless Coalition
